

ENDING VETERAN HOMELESSNESS

Heroes in our community dedicated themselves to defending and protecting our nation by serving in the military, but even heroes can fall on hard times.

Just as it was their duty to protect us, it is our duty to support them.

You can help by connecting our community's Veterans with U.S. Department of Veterans Affairs (VA) resources for Veterans who are homeless or at imminent risk of becoming homeless. As a congregation, we can support VA's initiative to end Veteran homelessness by the end of 2015.

Ask members of our community who lack safe, stable housing if they served in the military. If you encounter a Veteran who is homeless or at imminent risk of becoming homeless, encourage him or her to Make the Call to **877-4AID-VET** or chat online at **va.gov/homeless**. Trained professionals are available 24 hours a day, seven days a week, to connect Veterans with the services they've earned, including health care, housing assistance, and job training.

**We can all do something to help end Veteran homelessness
and support those who served in our community.**
